

Building Regulations

Buildings within Icenia **must**:

1. Be constructed using at least two different block types in reasonable quantities
2. Adhere to defined plots if constructed on plotted land
3. Be approved by the Secretary of the Interior

Buildings within Icenia **must not**:

1. Obstruct one or more public transit routes without explicit permission from the Secretary of the Interior
2. Obstruct or Impede upon the function of one or more pieces of defensive infrastructure without explicit permission from the Secretary of Defense
3. Infringe on another's property as defined in section VII(a)
4. Be constructed in such a way that is intentionally or unintentionally offensive or unsightly to the general population

-- If passed, this bill shall not apply retroactively to existing builds within Icenia
